

**Mill Bank Farm**  
**School Visitor Waiver**

While every care is taken to ensure the safety of visitors, Mill Bank Farm (the “Premises”) is a working farm and because of this extreme caution must be exercised by visitors while on the Premises. Dangerous areas are clearly signposted and must be avoided by visitors. All children must be accompanied by an adult at all times while on the Premises. If you are instructed by a member of the Premises staff to do anything necessary for your safety you must obey that instruction.

No responsibility will be accepted for any loss or damage to property unless caused by our negligence.

No visitor will be permitted on the Premises unless this document has been signed either by a parent/legal guardian (for child visitors) or by the visitor him or herself (for adult visitors).

**For parent or other responsible adult in relation to child visitors:**

In signing this document you confirm that you are the parent or other adult responsible for the child who is visiting the premises and that you confirm that you give permission for the child to visit the Premises subject to the conditions outlined in this document.

**For adult visitors:**

In signing this document you acknowledge that you accept these conditions and that you undertake to take all reasonable precautions for your own safety and for that of any children you are responsible for supervising.
